ROTARY CLUB OF

SPEAKER THIS WEEK: Connie Sizemore

Connie Sizemore is a Clinical Pharmacy Practitioner with the Leukemia and The Blood and Marrow Stem Cell Transplant Program at Northside Hospital, Atlanta GA. She received her Bachelor of Science (1993) and Doctor of Pharmacy (1997) degree from the University of Tennessee and Mercer University at Atlanta, GA. She completed a general clinical pharmacy residency at Piedmont Hospital/Mercer University, Atlanta and remained at this institution for several years as a clinical pharmacy specialist prior to moving to Northside Hospital. Connie has been very involved in professional organizations and activities throughout her career. She has presented at international and national pharmacy meetings and has been a contributing author on numerous publications in the field of stem cell transplantation and oncology pharmacy. As a member of the National Marrow Donor Program's System Capacity Initiative Pharmacy Working Group, she worked along with others to develop pharmacy specific FACT standards and currently represents pharmacy on the FACT standard committee. Connie is an advocate for involvement in multiple spectrums of clinical pharmacy.

VOLUNTEERS
NEEDED!

We need volunteers for our BBQ festival. There are different areas on which you could help:

- Crowd Control/help
- Water stand
- People's Choice tickets sales
- People's Choice, assisting teams to serve the public
- Raffle stand
- Setup

If you're interested on helping, sign up online at <https://dunwoodybbqfestival.com/get-involved> or contact **Warren Turner or George Stewart**. Sign-up sheets will be available next meeting.

Need a few good people...

We are setting up a system to accept debit/credit cards for attendees at the BBQ event (less than 3 weeks away). We will be using Square to take debit cards, but need 2-3 volunteers to try out (vet) the procedures before giving them to all the BBQ volunteers. being part of the Beta test would involve downloading the Square app to your cell phone/tablet, and then running a few practice tests to determine the effectiveness of the procedures we have developed. Will involve at most a half hour of testing and giving feedback on the understandability of instructions and effectiveness of those instructions.

If you are willing to do this the week of 08/27/18 thru 08/31/18, please send an email to **Rick Otness** (otness_r@mindspring.com). My thanks in advance for stepping up to do this task.

Spruce up Squad Strikes Again

With just 4 people (Fred Bound, Rick Otness, Erich Schuetz, and Warren Turner) the Spruce up Squad was busy beautifying "Bounds Garden" over the weekend. For those newer members it is the traffic island closest to the Dunwoody Library. The Club has been giving taht traffic island TLC (tender loving care) for well over fifteen years.

This time we cut down a small dying tree, which improved motorist visibility, and did some through weeding. Our next session we will take down a larger tree and plant a new tree. For that we will need a couple more willing hands. To be put on the spruce up list of volunteers, please give Fred Bounds (fbounds@gsu.edu) your email and cell phone number, and he will include you on the alerts for the Spruce up Squad.

Dunwoody High School

Last week our Club got a recognition from Dunwoody High School for our contribution to their band which allowed them to buy their own trailer.
